

## **FIRE NOTICE TERMINOLOGY**

The following terms may be found in fire prevention notices issued in the State of Colorado:

Campfire: A fire, not within any building, mobile home or living accommodation mounted on a vehicle which is used for cooking, branding, personal warmth, lighting, ceremonial or aesthetic purposes.

Campfires are open fires, usually built on the ground from native fuels or charcoal, including charcoal grills. Campfire includes "fire".

Chainsaw: A saw powered by an internal combustion engine with cutting teeth linked in an endless chain.

Closure: The closing of an area to entry or use.

Developed Campground: An area that provide designated campsites, toilets, picnic tables, and fire rings.

Developed Recreation Site: An area which has been improved or developed for recreation. A developed recreation site is signed as an agency-owned campground or picnic area and identified on a map as a site developed for that purpose.

Explosives: Any substance or article, including a device, which is designed to function by explosion (i.e., an extremely rapid release of gas and heat) or which, by chemical reaction within itself, is able to function in a similar manner even if not designed to function by explosion. For the purposes of these restrictions, firearms are not considered an explosive.

Fire Grate/Fire Ring: A permanent structure, installed by the agency managing the lands, that is used for building a campfire.

Fire Prevention Order (Order): A legal document restricting certain prohibited acts that is issued in times of increased fire danger and human-caused fire activity. Orders specify actions that are prohibited in specific areas under the jurisdiction of the agency with authority over the lands identified in the Order. Fire Prevention Orders also specify the duration of the restrictions and identify the legal references granting authority to restrict the mentioned acts.

Fire Restriction Area: The area that is covered by a Fire Restriction/Closure Order. Restrictions/Closures enacted cover the area defined by the Order as defined in the Order.

Fire: The burning of timber, trees, slash, brush, tundra, grass or other flammable material such as, but not limited to, petroleum products, trash, rubbish, lumber, paper, cloth or agricultural refuse occurring out of doors and includes campfires.

Improved Site: An area that has been cleared and has an established fire barrier that restricts fire spread, and includes improvements such as picnic tables and/or toilets.

Permit: A written document issued by an authorized agency representative to specifically authorize an otherwise prohibited act.

Restriction: A limitation on an activity or use.

Stove Fire: A campfire built inside an enclosed stove, grill or portable stove; including a space heating device.

Torch: Any of various lamp-like devices that produce a hot flame and are used for soldering, burning off paint, etc.

Welding: To unite or fuse (as pieces of metal) by hammering, compressing, or the like, especially after rendering soft by heat, and sometimes with the addition of fusible material like or unlike the pieces to be united.
